2019 Spring Conference Syllabus

Saturday, May 4, 2019

Radisson Blu Mall of America

Bloomington, Minnesota

Program Chair: J. Kyle Bohman, MD

3 AMA PRA Category 1 Credit(s)[™] or
MOCA 2.0[™] Patient Safety Credit(s)

Welcome

Dear Colleagues,

The Minnesota Society of Anesthesiologists (MSA) Spring Conference is here! This year's conference is held on Saturday, May 4, 2019, at the Radisson Blu Mall of America in Bloomington. We have organized a high-yield agenda for the meeting with a variety of emerging concerns in the field of anesthesia and perioperative care.

Based on MSA member feedback, we are including practice management topics at this year's conference. Dr. Jay Mesrobian, a widely-known expert in practice management from the Medical College of Wisconsin, will be sharing his perspective this year. Closely entwined with practice management issues is the legislative process, and we will have a legislative update from our MSA lobbyist, Nate Mussell, from Lockridge Grindal Nauen.

We take our member feedback seriously, and work hard to deliver what you have expressed interest in. We also try to detect emerging trends and issues in anesthesiology, bring them to your attention, and foster a medium for networking. The MSA Spring Conference is no exception, and I look forward to seeing you all!

Sincerely,

J. Kyle Bohman, MD
Chair, MSA Education Committee

Planning Committee

J. Kyle Bohman, MD
Chair, MSA Education Committee
Assistant Professor of Anesthesiology
Mayo Clinic
Rochester, Minnesota

Adam Niesen, MD
Assistant Professor of
Anesthesiology
Mayo Clinic
Rochester, Minnesota

Mojca Konia, MD, PhD
Residency Program Director
Vice Chair of Education
University of Minnesota
Minneapolis, Minnesota

Parking

Complimentary self-parking is available in the East and West parking ramps. If you are a registered hotel guest and parking overnight in either ramp, you must bring the make and model of your vehicle, as well as your license plate number, to the hotel front desk upon check-in. The hotel team will inform the Mall of America team of your information. Mall of America's team will tow cars which are parked overnight in either ramp that have not been registered with the hotel as staying at the hotel on that same night.

WiFi

Complimentary WiFi access is offered in the meeting space at the MSA Spring Conference. To access the WiFi, simply connect to the network "RadissonBlu", open your web browser and click on non-guest. Enter the password, "FLOWERS" and click on the acceptance button once prompted.

Agenda

7:00-7:55am	Registration & Coffee with Exhibitors	10:15-11:00am	Microaggressions: Define, Effect and Address <i>Catherine Njathi-Ori, MD, Mayo Clinic</i> <i>Erin O'Brien, MD, Mayo Clinic</i> <i>Nafisseh Warner, MD, Mayo Clinic</i>
7:55-8:00am	Welcome Remarks <i>J. Kyle Bohman, MD, Mayo Clinic</i>	11:00-11:30am	Breastfeeding and Anesthesia <i>Sarah Dodd, MD, Mayo Clinic</i>
8:00-8:30am	It's Easy Being Green: How Small Anesthetic Changes Can Make Big Environmental and Financial Impacts <i>Molly Herr, MD, Mayo Clinic</i>	11:30-11:45am	Question & Answer Panel
8:30-9:00am	Patient Satisfaction in Anesthesia: Show Me the Value! <i>Jay Mesrobian, MD, Medical College of Wisconsin</i>	11:45-12:15pm	Legislative Update <i>Nate Mussell, Lockridge Grindal Nauen</i>
9:00-9:15am	Question & Answer Panel	12:15-12:45pm	MSA Business Meeting and Officer Elections
9:15-9:20am	Recognition of Mark Warner, MD 2018 ASA Distinguished Service Award Recipient <i>David Martin, MD, PhD</i>	12:45-1:45pm	2018 ASA Distinguished Service Award Recipient Reception <i>Open to all attendees</i>
9:20-10:15am	Brunch with Exhibitors	1:45pm	Adjournment and Executive Committee Meeting

Learning Objectives

Upon completion of the following educational activity presentations, the participant should be better able to:

Topic: It's Easy Being Green: How Small Anesthetic Changes Can Make Big Environmental and Financial Impacts

- Identify the most environmentally unfriendly anesthetic agents.
- Understand the importance of fresh gas flow in volatile anesthetic waste.
- An appreciation of the amount of OR and procedural waste and identify possible techniques to improve recycling, reduce waste, or reuse items, limiting single use items when applicable.

Topic: Patient Satisfaction in Anesthesia: Show Me the Value!

- Review the history of patient satisfaction in anesthesiology.
- Identify legislative, regulatory, and market drivers behind measurement of patient satisfaction.
- Identify real and perceived barriers to measure patient satisfaction.
- Identify strategies that any anesthesiology practice can use to identify what is important to patients and increase value to your practice and organization.

Topic: Microaggressions: Define, Effect and Address

- Define microaggression: what, why, when and where?
- Review effects of microaggression: effects on workplace professional growth and development.
- Provide tools for addressing microaggression: GRIT

Topic: Breastfeeding and Anesthesia

- Describe the transfer of anesthetic medications into breast milk.
- Develop a safe and effective perioperative plan for a breastfeeding patient needing sedation or anesthesia.
- Create a list of resources for future reference.

CME Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and the Minnesota

Society of Anesthesiologists. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER[®]
INTERPROFESSIONAL CONTINUING EDUCATION

Credit Designation Statement

Amedco LLC designates this live activity for a maximum of 3 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABA MOCA Credit[®]

This activity contributes to the patient safety CME requirement for Part II: Lifelong Learning and Self-Assessment of the American Board of Anesthesiology's (ABA) redesigned Maintenance of Certification in Anesthesiology Program[®] (MOCA[®]), known as MOCA 2.0[™]. Please consult the ABA website, www.theABA.org, for a list of all MOCA 2.0[™] requirements. Maximum of 3 hours available.

Claiming Your Credit

To claim your CME and/or MOCA[®] credit, visit MSA.CmeCertificateOnline.com. Click on the "MSA 2019 Spring Conference" link, complete the survey and print your certificate. Questions? Email Certificate@AmedcoEmail.com.

You MUST deduct your MOCA[®] credit claimed from the total amount of CME credits offered. For instance, if you claim all 2 MOCA[®] credits, you can only claim 1 CME credit, for a total of 3 credits.

Meeting Faculty

Molly Herr, MD
Consulting Anesthesiologist
Mayo Clinic
Rochester, MN

Dr. Molly Herr is an attending pediatric anesthesiologist at the Mayo Clinic in Rochester. She is a graduate of the University of Wisconsin Madison for her undergraduate studies and medical school, and she then completed her anesthesiology residency and pediatric anesthesiology fellowship at the Mayo Clinic. She's worked for Valley Anesthesiology Consultants in Phoenix, AZ, working primarily at Phoenix Children's Hospital, but since 2005, she has worked at the Mayo Clinic. Climate change and its health impacts and sustainability in healthcare are a couple of her passions. She is a member of Mayo Clinic Rochester Blue Wrap Committee, the Mayo Clinic Rochester Green Subcommittee, and the American Society of Anesthesiologists Taskforce on Environmental Sustainability.

Jay Mesrobian, MD, FASA
Vice Chair for Affiliated Practices,
Department of Anesthesiology
Medical College of Wisconsin
Milwaukee, WI

Dr. Jay Mesrobian is Vice Chair for Affiliated Practices in the Department of Anesthesiology at the Medical College of Wisconsin. Prior to joining the Medical College, he worked as a Regional Medical Director for TeamHealth Anesthesia, and has worked in both academic and private practices for over twenty-two years in Columbia, South Carolina, and Milwaukee, WI. He is the ASA District Director from Wisconsin. He is currently Chair of the ASA Board Committee on Finance and serves on the committees on Governmental Effectiveness and Efficiencies, Performance and Outcomes Measurement, and the Ad Hoc Committee on Women in Anesthesia. He has also served as past Chair of the ASA Committee on Practice Management and as a member of the committees on QMDA, Communications, Pediatric Anesthesia, and Future Models of Anesthesia Care, as well as multiple ad hoc committees, including those on MACRA, Children's Surgical Care, and Payment Reform. He also serves as the Anesthesiology CAC representative to NGS, the Medicare contractor serving Wisconsin.

Catherine Njathi-Ori, MD
Assistant Professor of Anesthesiology
Mayo Clinic
Rochester, MN

Dr. Catherine Njathi-Ori was born and raised in Kenya. She attended medical school at the University of Maryland. She completed her anesthesiology residency and regional anesthesia fellowship at the Mayo Clinic in Rochester.

Erin O'Brien, MD
Division Chair of Rhinology,
Department of Otolaryngology
Mayo Clinic
Rochester, MN

Dr. Erin O'Brien is the Chair of the Division of Rhinology in the Department of Otolaryngology at Mayo Clinic, Rochester, MN. She is an assistant professor and has been at Mayo Clinic for seven years. Previously, she was on the faculty at the University of Iowa in the Department of Otolaryngology. She completed her undergraduate degree in Biological Sciences at DePauw University, Greencastle, IN, and her medical school training at the University of Pittsburgh. Her residency in Otolaryngology, including a two-year NIH funded research fellowship, was completed at the University of Iowa, Iowa City, in 2007, followed by a fellowship in Rhinology at the University of Nebraska. Her clinical interests include endoscopic sinus and skull base surgery. She is the diversity leader for her department at Mayo Clinic and is one of the founding members of the Women in Rhinology Section of the American Rhinologic Society. She has more than 30 peer-reviewed publications.

Nafisseh Warner, MD
Assistant Professor
Mayo Clinic
Rochester, MN

Dr. Nafisseh Warner is an assistant professor of anesthesiology in the pain medicine division of the Department of Anesthesiology and Perioperative Medicine at the Mayo Clinic. She is actively involved in clinical-based opioid research, including defining patient and provider factors driving prolonged postoperative opioid prescriptions. Additionally, she is co-director of the annual Mayo Clinic Opioid Symposium, and is a member of the Mayo Clinic School of Medicine Opioid Subcommittee.

Sarah Dodd, MD, FASA
Assistant Professor of Anesthesiology
and Perioperative Medicine
Mayo Clinic
Rochester, MN

Dr. Sarah Dodd is a native of Colorado who moved to Minnesota in 2012 for her anesthesiology residency at the Mayo Clinic. She joined the staff in 2016, and her major clinical interests include perioperative care of lactating patients and patients undergoing ENT, urologic, general, and endocrine surgery. She lives in Rochester with her husband and their three children.
